

Born in Darwen Lancashire, **Wayne Baron** is an only child who went on to work as a chef in Europe before coming to Ireland. He was head chef in Bijou Restaurant in Dublin's Rathgar for many years before retiring due to Lewy body dementia.

Wayne is married to Siobhán Baron. The couple has been together over 32 years and have 4 amazing children: Jenny, Shauna, Carla and Cal.

Wayne has a zest for life and is never afraid to try things, whether fashion (especially hats), music, food or travel – an appetite for which he passed on to his children.
